

# SKIP *the* SLIP!

We no longer require deposit or withdrawal slips! Paperless Banking is now available inside your branch. We are committed to saving you time and look forward to bringing you more convenience and security during your visit.

## Paperless Banking Frequently Asked Questions

### WHAT IS PAPERLESS BANKING?

Emory Alliance Credit Union members now have the ability to perform a transaction with a teller without using paper. This means no deposit/withdrawal slip is required.

### HOW WILL THE TELLER KNOW WHAT I WANT TO DO?

Simply let the teller know what type of transaction you would like to do (deposit, withdrawal, get cash back, etc.), and the teller will perform the transaction. After you confirm that the transaction is correct, the teller will print your receipt.

### IS PAPERLESS BANKING AVAILABLE IN THE DRIVE-THRU?

At this time, Paperless Banking is only for use on transactions being performed while inside a branch. Members will need to complete a transaction slip while using the drive-thru.

### WHY IS EMORY ALLIANCE CREDIT UNION IMPLEMENTING PAPERLESS BANKING?

Paperless Banking is eco-friendly. Due to performing thousands of transactions a day using a deposit/withdrawal slip, our paper consumption will be drastically reduced, passing the savings along to members.
